ABOUT WOODSTOCK

HIGH-END DESIGN APPEAL AT REASONABLE PRICES

Woodstock is a family-owned and privately held office furniture business headquartered in the United States. We always have at least 8,000 contract-grade chairs and tables in our In Stock pipeline for immediate shipment.

Our offering includes classically inspired designs in seating and tables of exceptional quality, fit, and finish. Hand-polished aluminum and 304 stainless steel are common on our chairs, with upholsteries of leather, Nappa, mesh, or fabric. Our tables feature hand cut, bent, and polished 304 Stainless Steel bases.

Woodstock's Quality Control lab has testing machines that conduct BIFMA tests on our products. Foam in our seating passes California TB 117 requirements and is TCEP and TDCPP free. Woodstock offers a 10-year warranty on chair frames and three years on foam and upholstery, ensuring years of trouble-free use.
